# CONSTRUCTION STARTS IN AUGUST

SUMMER 2020  
NEWSLETTER

## CONSTRUCTION IMPACTS

**AUGUST–OCTOBER 2020**

The heaviest impacts will occur during the closure of the northbound span of the bridge **September 12–20, 2020** and the following 7-day lane closure on I-5 south. Travelers will also experience traffic impacts beginning in August and continuing through October, including:

### NIGHTTIME LANE CLOSURES

Periodic nighttime single and double lane closures will occur on I-5 and on the Interstate Bridge throughout construction.

### BRIDGE LIFTS ON I-5 NORTH

Bridge lifts will occur on I-5 north for up to 30 minutes. Travelers should expect delays.

### NIGHTTIME RAMP CLOSURES

Periodic nighttime closure of on-ramps:

- SR 14/Washington Street on-ramp to I-5 south in Vancouver.
- Marine Drive on-ramp to I-5 north in Portland.
- Hayden Island on-ramp to I-5 north in Portland.
- North Victory on-ramp to I-5 north in Portland.

## 9-DAY CLOSURE OF INTERSTATE BRIDGE

**SEPTEMBER 12–20, 2020**

The northbound span of the Interstate Bridge will close **September 12–20, 2020** as crews replace mechanical parts that help lift and lower the bridge. During the closure, travelers crossing the Interstate Bridge in both directions will share the three existing lanes and sidewalk on the southbound bridge.

### AREA RAMP CLOSURES

During the bridge closure, four ramps in the project area will close for traffic control and to ensure a safe work zone:

- Marine Drive on-ramp to I-5 north in Portland.
- Hayden Island on-ramp to I-5 north in Portland.
- I-5 north to SR 14 off-ramp in Vancouver.
- SR 14/Washington Street on-ramp to I-5 south in Vancouver.

*\*Please follow all current public health guidelines and recommendations for travel practices.*

### TRAFFIC IMPACTS

Heavy traffic, congestion and long delays are expected in the region on I-5, I-205, I-84, SR 14 and local streets in north Portland and south Vancouver during construction.

### TRAVEL STRATEGIES\*

Everyone can help reduce congestion during the closure by using options such as delaying or shifting trips, biking, taking transit, or working from home or another location when possible.

Transit users can take advantage of expedited travel times with Bus on Shoulder programs on SR 14, I-5 and I-205. Visit: [c-tran.com/bus-on-shoulder](http://c-tran.com/bus-on-shoulder)

## 7-DAY LANE CLOSURE ON I-5 SOUTH

**SEPTEMBER 21-27**

Travelers will experience a single lane closure on I-5 south at the Interstate Bridge **September 21–27, 2020** as construction crews remove equipment from the area and wrap up the project. Expect delays traveling into Oregon.

Remember to drive safe and avoid work zone crashes by slowing down, paying attention, and following signs and flaggers.
